## University Requirements:

All University courses require the successful completion of Stage 2 and the completion of **five** Stage 2 subjects of which at least **four** must be HESS General subjects.

## University Prerequisites:

Most course do not have set Year 12 subjects as prerequisite.

*Human Movement* requires one of Maths, Physics, Chemistry or Biology

*Medicine, Dentistry & Physiotherapy* you need to pass an aptitude test and an interview *plus* gain a TER greater than 90

*Dentistry* requires two Maths or Science HESS G subjects

*Medicinal chemistry* requires Chemistry

## TAFE Requirements:

Students must meet Minimum Entrance Requirements. In courses with high demand TAFE use other criteria such as entrance tests, interviews, SACE completion or prior experience.
