

IMPORTANT FEE CHANGES

As of Vacation Care in April 2010 there will be some changes to our Fee charges:

- All prior Vacation Care fee must be paid in full children accessing the next Vacation Care program.
- There will be a **Non Refundable Booking Fee** charged to your account if a booking is cancelled, regardless of notice given. **This will be a fee of \$20.00 per day (CCB% assistance will not apply).** This fee will assist the service in covering funds already spent, to provide the Vacation Care program for your children.
- We will be charging Absent Days to your account, if you cancel vacation care due to illness. Centrelink has allowed 42 days per financial year that you can claim as Absent days. To collect the CCB% for an absent day, you must be registered with Centrelink, and come to the service within the week to sign that your child was absent. If you don't sign your child as absent, a full session fee will be charged to your account. (The Service is unable to claim CCB if we don't have a parents signature.)
- Children 13 and over will be able to access Vacation Care; their bookings will be confirmed by phone the week before Vacation Care. The priority of access will be given to children aged 5 -12 years.

We hope you enjoy looking at our fun filled program for April, please complete your booking form and return it to OSHC.
