Trinity Blakeview Students Achieve Top Scores in ICAS Competition

Congratulations to Ryan Mason (Blakeview Yr 4) and Emma Gard (Blakeview Yr 9) who recently received International Competitions and Assessments for Schools (ICAS) medals at a recent ceremony in Adelaide.

Ryan achieved the top score in SA/NT for a year 4 student in the Science competition and Emma achieved the top score in SA/NT for a year 9 student in the English competition.

Students from around Australia and over 20 other countries including Asia, Africa, Europe and the USA participate in ICAS competitions each year that test student's skills in Computing, English, Mathematics, Science, Spelling and Writing.

Every participating student receives detailed diagnostic papers and online reports measuring their progress from previous years in addition to a University of New South Wales Global Certificate acknowledging their level of achievement.

Congratulations Ryan and Emma.
