

Under the Tree...

World Book Day!

World Book Day will be celebrated on Thursday March 1. To celebrate World Book Day the library will be holding a second hand book sale. We have been busy weeding through our books to make room for the new books we will be purchasing this year. There will be a great range of books for students to buy ranging in price from 50cents to \$2 each. There will be nonfiction, fiction and picture fiction available for sale. Books will be divided into categories for both the Junior and Middle school. We held a second hand book sale a couple of years ago and it was extremely popular. This is a great opportunity for children to have the chance to shop for a book of their choice at a great price.

Scholastic Book Club

Mrs Walker coordinates the Scholastic Book Club each month in the library. The points we earn from the book club are then used to buy extra books and resources for the library. Thank you to everyone who supports the book club throughout the year.

National Year of Reading 2012

2012 celebrates the National Year of Reading. The library is planning some great thematic displays throughout the year to showcase the many great books we have in our library. I challenge all students to read at least 12 books next year and participate in the Premier's Reading Challenge. The library staff are always happy to assist students when selecting books to read.
