We congratulate Olivia Salagaras who received one of 25 Inaugural Governor of South Australia SACE Awards for overall excellence in the 2011 SACE. Dux of Trinity College 2011, Tim Atkinson has been awarded the Andy Thomas Scholarship from Adelaide University. The University offers one scholarship to a student who has demonstrated outstanding academic merit and is enrolling in a Bachelor of Engineering (Mechanical, Mechatronic or Aerospace) program at the University of Adelaide in 2012.

The Scholarship provides an allowance of \$6,000 per annum to assist with education/living costs and covers the student's tuition fee contribution for the duration of the Bachelor of Engineering program up to a maximum period of four years, subject to students taking up the offer of a place at the University, confirmation of full time enrolment and maintaining satisfactory academic performance.

We wish Tim well with his endeavours.
