P & F VOLUNTEERS LIST

Dear Parents of Trinity South Students

While the Parents & Friends Committee perform an overseeing role it would be great to see more parents involved in events such as those listed below. While you may not wish to commit to the Committee you may like to be involved by simply supporting one event this year as a volunteer. Generally, a committee member will oversee the event listed below and seek volunteers to support them.

This way you may contribute to the School but only commit yourself to one event during the year and at the same time we benefit from having a greater number of people assist with the event.

If you would like to become a volunteer please complete the form below and provide details. Alternatively you may like to take those events that most interest you. At this stage they are yet to be approved by the committee and therefore are listed as likely 2012 events.
