Term 3 is almost to an end and what a term it has been!

It is with much sadness for SSSSA but joy for Helen Francis that Helen retires on the 25th June. Helen has worked for the School Sport Unit for 10 years. She has always been a strong supporter of SSSSA and most will know Helen as the friendly voice at the end of the phone. We wish her well in the next stage of her life but will miss her dearly. On a happy note for the Unit, Sophie Common has now won a permanent placement at the School Sport Unit. Congratulations Sophie!

INTERNATIONAL SCHOOLGIRLS NETBALL CHALLENGE

The International Schoolgirls Netball Challenge was held at ETSA Park Stadium from 26th to 30th May. 8 teams participated in the challenge which offered top level netball and an intercultural exchange. Students took on a variety of leadership roles during the event that contributed enormously to its success. The Challenge contributed significantly to the profile and value of sport in education.

The Opening Ceremony had many special guests and the Challenge was formally opened by the Hon Michael Wright MP and guests were welcomed by Chris Robinson, DECS CEO. There were performances from the Henley HS dance troupe, Woodcroft College School Band (including Kyla Fava who sung the National Anthem) and Findon HS Fin Cats catered for the morning tea. Excursion day was an afternoon of Bowling giving teams the opportunity to socialise and this was thoroughly enjoyed by all.

Each of the 8 liaison schools (Concordia, Findon HS, Henley HS, Murray Bridge HS, St Mary's, Valley View SS, Westminster & Woodcroft) did a fantastic job welcoming their teams and ensure their stay was enjoyable.

Special thanks to Ros Natt (Convenor) and the challenge committee. Well done to all on a fantastic job!

Congratulations to all of the players and officials for a successful week!
