

INSTRUMENTAL MUSIC LESSONS

The Instrumental Music Programme started across the College in week 2. This year as our programme continues to grow and develop; we have expanded our team of Instrumental Teachers with 10 new staff members joining us in 2008.

There are lessons available at all Schools from our pool of talented and dedicated teachers on all wind, brass, string and percussion instruments, including vocal tuition, piano and guitar lessons. It is exciting that Meredith Boyle, a specialist French Horn teacher who has had much success playing in the West Australian and Adelaide Symphony Orchestras is able to join our team this year. I would encourage students across all schools to consider this beautiful instrument when making a choice as to which instrument they would like to play. Meredith is available to teach both the French Horn and the Trumpet at Blakeview, Gawler River and the Gawler site.

Other new teachers who we warmly welcome to our team this year include:

Luke Bairstow – Classical Guitar
Kassie Dahlenburg – Bassoon, clarinet & Voice
Catherine Davies – Voice & Violin
Galyna Grynychuk – Piano
Rebecca Harrison – Violin, Piano & Clarinet
Lauren Murch – Oboe & Clarinet
Kerrie Ryan – Voice
Gerard Spalding – Drums
Lincoln Spalding – Bass Guitar, Guitar & Saxophone

All enrolment forms for Instrumental Music lessons can be obtained from your school's Music Coordinator (Mrs. Mason at Blakeview, Ms. Lynn at Gawler River, Mr. Shigrov at South, Mrs. Courtney at Senior and Mrs. Skelton at North) or they can be obtained from Sue Eichner in the music office. New students are welcome and encouraged to enrol at any time of the year.

I hope your child thoroughly enjoys learning their instrument this year. Please do not hesitate to contact me should you require any further information about our Instrumental Music Programme.

Best wishes for 2008

Mrs Louise Skelton
Director of Instrumental Music
Trinity College
