

Paying school
fees made easy
with BPAY View

Keep track of your school fee payments in one convenient place, your online banking[#].

Everyone wants a seamless process for paying their bills. So why should school fee payments be any different? Have your statements sent straight to the same place you pay them, and have access anytime, anywhere via online banking[^].

With convenient email, SMS or bank message reminders* and secure online access, BPAY View makes it easy to pay on time, every time[†].

Help your school responsibly manage its resources and environmental impact. Say goodbye to paper bills!

BPAY View is a secure and convenient way to receive your bills electronically and easily pay using BPAY.

Registering is even easier with just 3 simple steps...

Log into your online banking and search for your BPAY View Biller

Register with your billers and from now on, bills from those billers will go straight to your online banking. You'll get a message from your financial institution when it gets there.

Once your new bills arrive, go to BPAY View and easily pay using BPAY.

For further information on how to set up your bills in your online bank, visit bpay.com.au/bpayview
