

TRINITY COLLEGE FOUNDATION

Innovation Support Scholarship

Introduction

This scholarship seeks to support a student who enjoys problem solving, team work, is entrepreneurial, a strong communicator, enjoys creative thinking and implementing ideas that make a difference. It aims to support a student who excels in science, mathematics or technology, has a passion for engineering and innovation and, may require financial support to continue to pursue these interests.

Criteria

- Applicants must be in Year 10 or Year 11 at the time of application and be enrolled in Trinity College Senior the following year.
- The applicant must demonstrate strong academic results in mathematics, science and technology.
- The applicant must demonstrate a strong interest in pursuing a career in engineering.
- The scholarship will consider the financial circumstances of the applicant.
- A current recipient may reapply in Year 11.

Process

- Applications **must be received by Friday 9 August 2019**.
- Short listed applicants will be notified and may be required to attend an interview.
- All applications are handled confidentially particularly the financial circumstances that are involved for the applicants.
- Data supporting financial need is to be supplied with the application to the Finance Director of the College.
- The scholarship will be awarded at the discretion of the Head of Trinity College.

Award

- The scholarship will entitle the successful applicant up to \$1,500 paid into the students school account for tuition fees.
- Only one student may hold the scholarship at any one time.
- The successful applicant's name will be engraved on a Shield that is displayed at the College and announced during Speech Day Services.

Expectations

The successful applicant will be photographed and acknowledged in the College publications and on the website.
