Selection Criteria Rationale

Our motto "In God is my Faith."

The College vision "A College of excellence open to all, in a disciplined, caring and Christian environment."

Students are at the heart of Trinity College and the Christian ethos permeates everything we do.

Trinity College commenced in the St George's Anglican Church Parish Hall Cowan St, Gawler on 6th February, 1984 with 27 students. Since its humble beginnings, the College valued the contributions of all students, current and past and look to create opportunities for future generations.

The College Aims

- To foster in every student a desire to serve God and humanity; to develop a respect for truth and a lasting set of moral values and to acquire the greatest possible understanding of self and the worth of each individual's contribution to society.
- To develop fully the spiritual, social, academic, and physical potential of each student in a caring yet disciplined environment.
- To foster a co-operative relationship between all members of the College community inclusive of students, staff, and parents.
- To develop to the fullest extent possible the mastery of basic academic skills and to foster creativity and overall excellence.
- To provide a curriculum which has a balanced use of Christian themes in all areas and to create and foster an environment for learning, in which the Christian year is followed and observed, and in which the life of the participating parishes provide a practical focus for that observance.
- To help each student appreciate the joy of living.

The Old Scholar Lighthouse Award recognises significant contributions made by Old Scholars:
