

Trinity College Rider Uniform Requirements for Interschool Gymkhana

Horses

Horses competing for Trinity College are required to wear the Trinity saddle blanket and brow band (see image below for reference)

The saddle blanket needs to be dark navy quilted (can be purchased from Horseland – Roma style). Embroidery can then be done at Impress Promotions Gawler who already have the school equestrian logo on file. Logo to be placed on the rear near side of saddle blanket.

Brow bands are custom made via Nicki Gordon Brow Bands (0427 525 912) let her know you need the Trinity Design and she will work her magic for you. (All school horses already have this equipment so if you are riding a school horse for the gymkhana no need to worry about the above)

Riders

Students are to wear:

- beige Jodphurs,
- riding boots with Jodphur clips,
- school shirt, tie and knitted school jumper (**NO** red PE shirt is to be worn when competing)
- helmet
- riding gloves
- Equestrian cap or school hat may be worn when not riding

If you have any further questions, please do not hesitate to call Helen Barnes on 0408 834 143.

Any Trinity saddle blankets and brow bands can be sold to other riders when not required any longer.
