Board Members' Obligation to the the Office of the Liquor and Gaming Commissioner:

BACKGROUND

Trinity College is the owner of premises in which two licensed businesses are conducted. One of these is the Trinity College Pavilion which the College owns directly and holds the licence and the other is Starplex Café where the College is in receipt of rent for the premises in which licensed premises are operated. Under the Liquor Licensing Act there is an obligation that the members of the governing body of Trinity College (the College Board) are all Responsible Persons under the Liquor Licensing Act.

The reason for this is that it is the responsibility of the Office of the Liquor and Gaming Commissioner to oversee not only who holds liquor licenses but anyone in a position to potentially have an influence on a licence and the College Board members are regarded as being in such a position.

OBLIGATION

Following the Annual General Meeting of the College Board each year Board members will be assisted by the College to apply for Responsible Person status via an online application.

Potential Board members requiring further clarification on this obligation are encouraged to contact the Chair of College Board.
