

# Trinity College North

## Open Day School Program Sunday 29 March

**12pm to 2pm**

ACTIVITY	WHERE
<p><b>Wellbeing Hub – Your First Stop on the Yellow Brick Road!</b> Welcome to the <b>Wellbeing Hub</b>, the heart of student support and holistic development at <b>Trinity North</b>. Chat with us about our <b>pastoral and wellbeing programs</b>, designed to nurture every student’s growth, resilience, and sense of belonging. Get hands-on with <b>student-centred learning activities</b> that showcase how we foster engagement and connection across our school. Plus, this is where your <b>Yellow Brick Road journey</b> begins! Collect your first stamp and set off to explore Trinity North—can you visit all the stations and claim your prize at the end?</p>	<p>Building 11</p>
<p>Explore the innovative work of our <b>Child Studies</b> students, who have designed engaging games tailored for young clients with impairments—just as real paediatric practitioners would. Try out these interactive activities and see how thoughtful design can support learning and development.</p>	<p>Room 11.2</p>
<p>Come and explore the impressive work of Middle School students. In <b>English</b>, discover the different forms of writing across various text types. In <b>Mathematics</b>, engage with interactive activities and student work showcasing problem-solving skills. Step into <b>History</b> to explore primary sources and fascinating artefacts. Finally, experience hands-on <b>Science</b> experiments and see a scanning electron microscope in action. Other subjects on display include <b>Geography, Positive Education, RAVE, Languages, Design, Technology and Engineering and Visual Arts</b>.</p>	<p>Various Classrooms</p>
<p>Take in some of the wonderful activities and displays around the Junior School.</p> <ul style="list-style-type: none"> <li>• Easter and science meet! Come and ‘chick’ out the <b>Living Things</b> unit of learning in the earliest years of our Junior School. What do living things need to survive?</li> <li>• Feel Good Friday – an insight into what it means to finish the week right!</li> <li>• The Garden Club’s Watermelon Juice – ‘From Seed to Juice’.</li> <li>• Look on as our students demonstrate their thinking skills as they challenge each other through strategic board games as part of our Mind Lab program.</li> <li>• Adopt a chicken with Reception students</li> <li>• Robotics and the power of programming</li> <li>• Powerful Learners – how we approach this and what does it entail?</li> <li>• Shoebox circuits. Curious? Check it out in the Science Labs!</li> </ul>	<p>Junior School</p>

# TRINITY COLLEGE NORTH

2026 Open Day – 12pm to 2pm

<p>Come and see our newly renovated Backroad Theatre, a vibrant and flexible <b>performing arts</b> space. Featuring roaming lighting and movable seating, the theatre can be easily transformed for <b>drama, dance, rehearsals and performances</b>. Designed to support creativity and collaboration, it provides students with a dynamic environment to create, move and perform.</p>	<p>Backroad Theatre</p>
<p><b>Discover Pickleball – Fast, Fun, and Inclusive!</b> Join us for a taste of pickleball, a mix of tennis, badminton, and table tennis, pickleball is easy to learn, fast-paced, and perfect for all skill levels. Whether you're a beginner or a seasoned player, come and have a go – rally with friends and family, and see why pickleball is a school favourite!</p>	<p>Harris Head Big Shed</p>
<p>Welcome, young explorers, to the Friendship Ninja Scavenger Hunt! Our school has been graced with the presence of the legendary Friendship Ninjas, who are masters in the art of friendship. They have come to our school to share their secrets and knowledge on how to be a great friend. However, the Friendship Ninjas are cunning and have hidden themselves in different locations throughout the school. It is now your mission to find and capture all the Friendship Ninjas and learn from them the ultimate friendship knowledge!</p>	<p>Junior School, Library, North Piazza &amp; Creek Area</p>
<p>Don't miss the <b>Seedling Sale</b> when you visit the Ag Farm! Browse vegetable and flower seedlings grown by Year 9 Agriculture students all priced for sale at \$3 each. Seedlings available will include Marigold, Coriander, Basil, Cucumber, Broccoli and much more.</p>	<p>Ag Farm</p>
