

Celebrating the
Class of 2024

World of Opportunity

TRINITY COLLEGE

We would like to acknowledge all students who did their best in 2024. Many students have achieved some remarkable personal bests, and their journey may or may not be outlined in this booklet. All members of our community are special and unique, and all achievements and milestones should be celebrated. Thank you to our excellent staff and supportive parent community who have helped nurture and guide our graduating students. The values and skills our graduates take away from school will help them make wonderful contributions to the wider community.

While of course we celebrate the achievements of our highflyers and rightly acknowledge their success, at Trinity, doing your best is fostered. The success of students with special needs or learning challenges, who never give in but strive to succeed, also deserve our special praise. Individual attention for all the students in our care is a quintessential element of the Trinity mission. Our graduating class has set goals, overcome adversity and displayed resilience; they are ready for the next chapter in their lives.

The Class of 2024 delivered some outstanding results with highlights including the College Dux **James Skelton** achieving the remarkable score of 99.80. Out of more than 15,967 students who received the SACE in 2024, only 33 students have been selected to receive a prestigious award from the Governor of South Australia. We congratulate James who received a 2024 Governor of South Australia Commendation – Excellence Award. We acknowledge the 31 students who attained an ATAR above 90 and the 71 students achieving ATARs above 80.

I am delighted that 80 students completed a Certificate II VET qualification, 110 students studied a Certificate III or higher qualification, 60 students used VET towards their ATAR calculation and 18 students completed a school-based traineeship or apprenticeship within SACE.

Trinity College congratulates all Year 12 students, and we thank them for their excellent contribution to our community.
