

Celebrating the
Class of 2022

World of Opportunity

TRINITY COLLEGE

We would like to acknowledge all students who did their best in 2022. Many students have achieved some remarkable personal bests and their journey may or may not be outlined in this booklet. All members of our community are special and unique and all achievements and milestones should be celebrated. Thank you to our excellent staff and supportive parent community who have helped nurture and guide our graduating students. The values and skills our graduates take away from school will help them make wonderful contributions to the wider community.

While of course we celebrate the achievements of our high flyers and rightly acknowledge their success, at Trinity, doing your best is fostered. The success of students with special needs or learning challenges, who never give in but strive to succeed, also deserve our special praise. Individual attention for all the students in our care is a quintessential element of the Trinity mission. Our graduating class has set goals, overcome adversity and displayed resilience; they are ready for the next chapter in their lives.

The Class of 2022 delivered some outstanding results with highlights including the College Dux

Justin Henkel achieving the remarkable score of 99.85, 41 students attaining an ATAR above 90 and 114 students achieving ATARs above 70.

I am delighted that 56 students completed a Certificate II VET qualification, 114 students studied a Certificate III or higher qualification, 84 students used VET towards their ATAR calculation and 38 students completed a school-based traineeship or apprenticeship within SACE.

Trinity College congratulates all Year 12 students and we thank them for their excellent contribution to our community.
