

SmartLink Cards for Trinity College Students

How can the TransportMe Passenger App help you?

- It provides real-time location updates, allowing parents to track the exact location of the bus. This ensures timely arrivals and departures, reducing wait times and providing peace of mind.
- Receive updates on delays, route changes or emergencies.
- Increased safety as the app provides a secure and transparent means of monitoring the bus's route. This feature assures parents of their child's safe travel, and operators can respond promptly to any unforeseen circumstances.
- Premium features available through small monthly subscription fee (\$2/month). These include notification when your child taps on or off a bus, your child has missed their bus or disembarks at a non-approved location and more.

FOLLOW THESE EASY STEPS TO GET YOUR CHILD A SMARTLINK CARD

1. PURCHASE YOUR SMARTLINK CARD

Please complete the registration form to receive your child's SmartLink card.

The school will then register the card for your child.

*Replacement cards will incur a \$10 fee.

2. DOWNLOAD THE APP

Download the TransportMe Passenger App on your phone or tablet, from the Apple App Store or Google Play Store. Use the username and password given to you by the school to link your child's card to it.

The TransportMe App will allow users to see live tracking of buses.

*Ensure notifications have been enabled in your settings.

3. PAY FOR YOUR TRAVEL

Parents can put money on their child's SmartLink card via the TransportMe App.

DO NOT FORGET TO 'TAP ON AND TAP OFF'

Don't forget your child will need to TAP ON when boarding the bus and TAP OFF when alighting the bus to ensure your fare is calculated correctly.
